Student Life

Many activities involve N.C. students

Service projects, club meetings and play rehearsals kept Centralites busy this fall. Lockets, the girls service club gave many a chance to do something for the school. Under the direction of president Bette Perry, the girls sponsored can drives, and cleaned the windshields in the parking lot.

The American Field Service club provided many N.C. students with a means to meet the exchange students and study other countries. The president, of AFS is senior, Ruthie Meyer.

Young Life meetings with singing, skits, and discussion were very popular with Centralites.

"Blythe Spirit," the fall play, which required much time and patience by the cast was a success.

RIGHT—"Blithe Spirit", a tale of ghosts and seances, was presented by N.C. students.

Race starts Homecoming '70 activities

The 1970 Homecoming festivities commenced with the annual trike race. The Dynamic Davis Dragsters achieved first place after beating stiff competition.

Following a fantastic Key Club skit, the candidates for queen were presented, and the student body was given a chance to vote for their choice for Homecoming Queen. Jody Reel, last year's Homecoming Queen, returned to crown her successor, Margie Koerten, during halftime at the game.

At the turnabout dance, sponsored by the Student Council, Jonathan Snyder was proclaimed king. "Out in the Country" was the theme and the Soul Messengers provided the music.

The 1970 Tennis Team captured the Tennis Sectionals for the fourth consecutive year. Dave Heiliger and Greg Millis placed first in Sectional Doubles Competition.

The senior intramural football team, Putz, captured glory and the honor of victory when they defeated their stiff competition. They finished the season with a proud 7-0 score.

The North Central Cross Country Team captured second place in the county meet in spite of various illnesses and injuries. The Harriers were defeated in the meet only by Southport. Rick Stover destroyed Centrals two mile record with an unbelievable time of 9:36.

Variety signals NC student life via seminars

Studying is a very important part of every NC students's time schedule but plays, seminars, dances and charity projects serve to make school more enjoyable. Lockets, the girl's service club, along with the Key Club sponsored can drives to help needy families. The Senior class took on a tutoring program to help children at the East Side Christian Center. The Student Council took time to set up numerous seminars throughout the year on various subjects such as Zero Population Growth, Woman's Liberation and student-faculty rap sessions.

"Funny Girl" musical heads fall festival

"Funny Girl" was this year's fall musical put on by the music department. Amy Freeman held the lead role as Fanny Brice. Jay Bursky played Nick Arnstein and Neill Rolsky portrayed Florenz Ziegfeld. Hard work and many hours of rehearsal helped make this production a success.

A boutique, set up in the student center was sponsored by the triangle club. Homemade fudge, carmel apples and peanut brittle were on sale at one booth. Another booth had North Central T-shirts, pins and charms. The booths made the school look festive for the festival.

Academics

English strives to improve study habits

This year all of the English classes participated in many, varied activities. Seniors look forward to having class time to work on term papers, juniors enjoy the eerie works of Poe, while the sophomores went back to the time of Julius Caesar.

Students improve their reading ability in Reading Lab, while other students improve speaking ability in Speech classes.

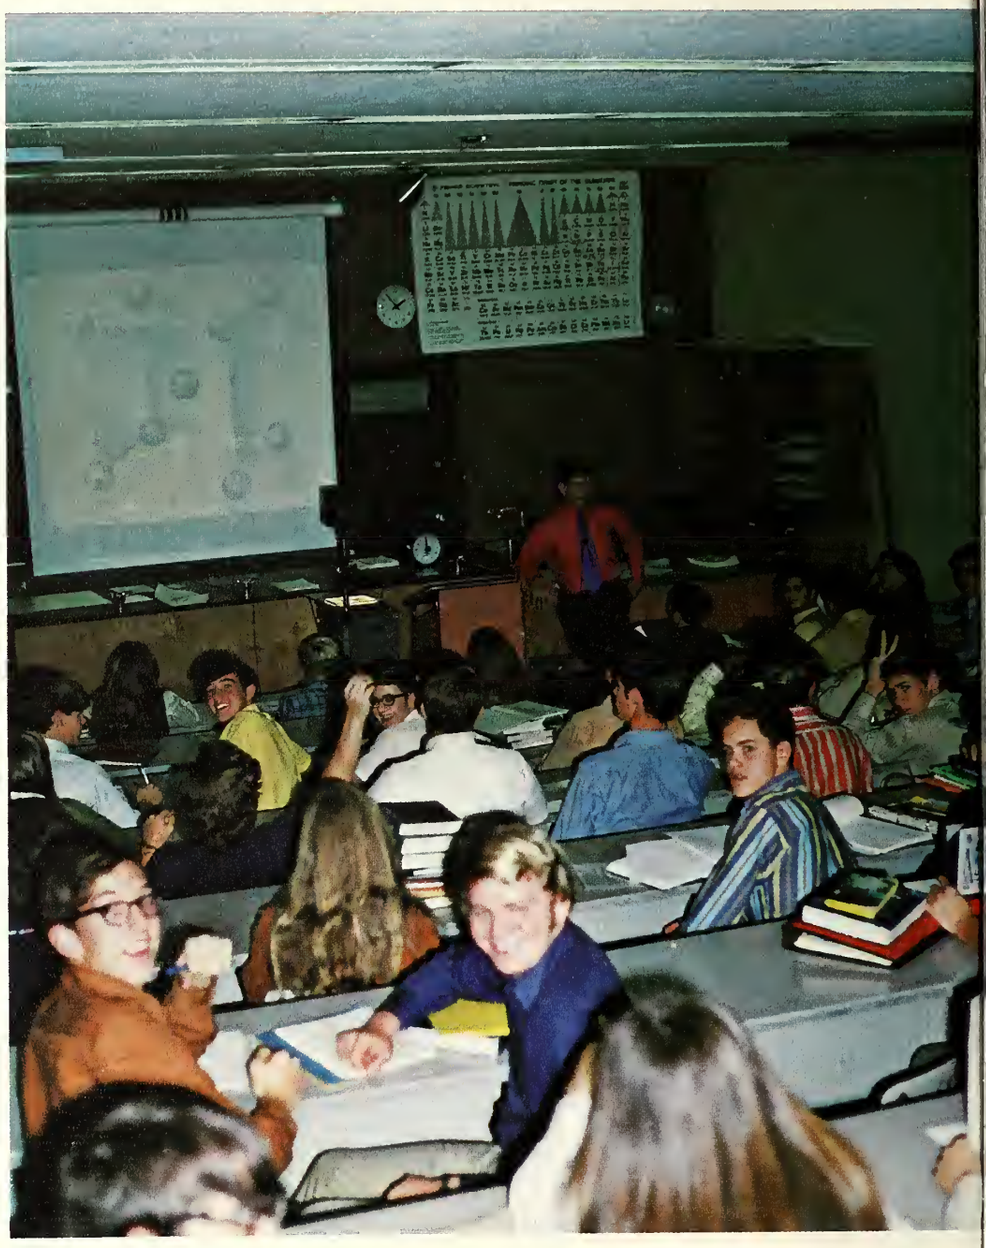
Independent study, labs highlight science classes

The science department offered many new techniques to N. C. students.

The drug education classes, headed by Mr. Prettyman listened to tapes and viewed many movies. Following the movies, they had a chance to evaluate them into five categories. In addition, several guest speakers visited the classes.

Physiology students participated in laboratory work twice a week. Along with their study of the body systems, their dissections included the brain of a sheep and fetal pigs.

The chemistry classes all participated in a total independent study program. With this method, students could work at their own speed and also receive more individual help.



Students listen intently while Mr. Staver lectures to his Chemistry class.

Social Studies classes are involved

The Social Studies Department kept up its excellent course work with many panel discussions, guest speakers and projects, all building greater understanding of one's past and future.

Sophomores and Juniors related past history to our present world situation and problems, while Seniors took an in depth look at our government at the local and national levels.

Politically minded students had an excellent opportunity to research the candidates and their policies with many lectures and discussions by some local politicians.

Panels and debates were common in all the Social Studies classes as students attempted to compare and to contrast our society with those of the past and future.

Old customs major part Of language

Students who wish to gain knowledge about different countries can enroll in any of a number of foreign languages. Basic grammar skills were developed through the usage of the language lab and viewing foreign films. More advanced classes developed a deeper understanding of a country's cultures and traditions. Fluent language students took advantage of foreign programs and traveled in France, Mexico, and Germany.

Students who wished to explore a language further could join one of the language clubs. During the fall, the Latin Club sponsored the second annual chariot race. German students discovered that German parties had some advantages over American ones. Many lucky Centralites feasted on a delicious French banquet. This wide range of activities can be enjoyed by any interested language student.

Math buffs add it up in 1971

A walk through the math department halls of North Central would not sound very much different from the same trip ten years ago. Teachers are still giving seemingly impossible assignments and tests while students are still groaning with disappointment or beaming with success whatever the case may be.

The Math department at North Central covers a broad range of topics from basic geometry to math topics. One may take courses in general math, business math, algebra, geometry, precalculus, calculus, and math topics. Ken Cox, a senior, and John Raber, also a senior, won awards in a state math contest.

Whether one is just fulfilling graduation requirements or preparing for a career in math the North Central math department is an excellent place to begin.

Vocations broaden learning at N.C.

Awareness and preparation for the future were the key words for students of Practical Arts this year. Through speakers, demonstrations, special projects, and good old-fashioned learning, Centralites are trained in vocations that will be valuable to them in future years.

For the first time boys joined the ranks of Family Living, a course to guide the students in knowledge of marriage problems and the social role of the family. Home Management dealt with budgets, decorating and buying a home. An enlargement of classes added another period to Foods and Clothing this year.

Practice makes perfect was an appropriate slogan for the boys in Electronics, Auto Mechanics, and Printing as vocational training proved to be fun as well as interesting.

Business ed program highlights department

The 1970-71 school year is an exciting one for the business department. The Cooperative Educational classes are gaining momentum and helping NC students get a foot in various fields. Local businesses such as drug stores, clothing stores and business offices became exciting training classrooms for students while on the spot experience highlighted ordinary routine. Faculty members Mrs. White and Mr. Muse sponsored the program.

Classes in typing and shorthand came in handy for potential secretaries and students seeking extra points on term papers. Business law and merchandising courses helped other students gain knowledge in some practical aspects of life outside of North Central. The general business and bookkeeping classes will help many NC graduates in future job seeking.

North Central's pre-teaching course, available to all potential teachers and students with a possible interest in educational occupations, was carried on again this year. Many students take advantage of this chance to test their interest in teaching by helping out as classroom assistants in schools around the North Central area. Everyone involved has found it to be a rewarding experience, whether or not they decide to continue in this profession.

N.C. students learn healthful living

This year was the start for extramural participation by the girls. There were ten girls that participated in activities including volleyball, swimming and gymnastics. This program also include more extensive participation in dance.

Boys worked off energy in the usual rigorous activities of gym. Valuable lessons of teamwork were learned through basketball, football, and track.

Health classes stressed first aid, learned about psychology and the many functions of the body.

The Counterpoint of Carols
by Rod McKuen

Now softly come the minstrels
heads bowed into hymnals
caroling for cookies and safe
smiles
We owe them more than candy
for the redness of their ears
alone.

Faint footsteps down the hill
and gone,
there music dying through the
trees
as back to Bach we go
on phonographs and radios.

The needlepoint of patchwork
quilts,
the counterpoint of carols.

Novembers come and gone too
soon
there are so many quarrels
that we haven't finished,
and they might lessen
in the January rain.

Quarrel in December?
Never.
November comes up every year.
This Christmas comes but once.

Perseverance, versatility bywords behind scenes

"The show must go on", this phrase was often heard spoken by the sponsors of the drama department, Mr. William Lord and Mr. D. C. Henderson, who devoted many hours to co-ordinate the different facets of the drama department this year.

When the lights dim, the curtain opens, and the actors come out on stage, the audience sees only the end result of hard work. But what makes the drama productions possible? The joint efforts of the Drama Club, the Thespians, the Costume and Makeup Club and the Stage Crew.

One of the first opportunities for the efforts of these four groups to be combined this year was the fall musical, "Funny Girl", which was produced by the music department.

The fall play, Sir Noel Coward's "Blithe Spirit", was sponsored by the Thespians. The play concerned a headstrong author who was plagued by the mischievous ghost of his dead wife.

Panthers rally for 5-5 season

Finishing the year by winning three of their last four games, North Central's 1970 varsity football team rallied to even their season record at five wins and five losses. In a year highlighted by costly mistakes, the Panthers lost many close games.

Opening with a close victory over Lawrence Central, the gridmen lost a last second fumble to Ft. Wayne Snider. It was run back for a touchdown and provided the losing margin. Following a loss from Broad Ripple and a win over Ben Davis, North Central met Warren in the rain. Warren scored two quick touchdowns but then the Panther defense held and the team rallied to take the lead only to lose the game with just over one minute left.

Jim Bremner makes 1971 all-sectional

The leading rebounder on the team, sophomore standout Jim Bremner, was named to the All-Sectional team. Next year the squad will have ten men back and most of these players had a lot of actual playing time.

The North Central reserves, under the coaching of Jack Walters, had a winning season record of 13-7. Leading scorers for the team were Jed Ehret and Warren English who were brought up to play varsity late in the year.

North Central takes state gym crown

Winding up North Central's best gymnastics season ever, John Emery's Panthers shattered all competition to capture the 1971 state title. Included in their undefeated season was a dual meet win over Columbus, a team that had not lost a match in three years, a first place finish in the county, and a sectional championship.

Rated number one in Indiana most of the season, the Panthers had four first place champions in the state meet. Barry Woodward won the high bar and still rings, Neil O'Mahoney took the parallel bars and Jim Tuerk captured first on the trampoline. Supported by Randy Stein (2nd) and Jim Barrett (3rd) in free exercise, John Spickelmier (2nd) and Dave Hiatt (3rd) on the side horse, and Irv Sigal (3rd) on the parallel bars, the team easily outdistanced all rivals to score 112 points.

Backing up Hart were Robert Collins (2nd) and Dave Nelson (4th).

The Panthers avenged their only loss of the season against Southport in the annual N.C. Invitational. Sweeping the eight way tourney with 120 points, the team had two individual winners, Aaron Benjamin and Collins.

TAKING DOWN HIS MAN, senior Robert Collins gets two points. Collins was co-captain of the varsity with John Hart.

Mr. Keith Stroup retired from his post as athletic director after a 15 year term. Coming from Marion High School to North Central in 1956, Mr. Stroup has done an outstanding job co-ordinating the Panther athletic organization. Mr. Stroup will be replaced by Roland Inskeep.

New techniques, arm movements, and yells were the highpoints of this year's cheerleading squad. The girls were chosen for their pep, enthusiasm, poise, coordination, and personal appearance. Last minute practice before games and meets gave all the final touches to their yells.

Council creates spirit of unity among students

Through the ideas and guidance of President Darryl Pinckney, the 1970-71 Student Council strived for a spirit of unity. This spirit was accomplished by the projects the Council took on. The new and more organized committees brought to all students environmental seminars, political speakers, film festivals, rap and grievance sessions with faculty and administrators.

As a result of the hard work and sincere devotion of all involved in the Council, the Sophomores were welcomed in and the Seniors have left with fond memories.

AFS students enjoy living American lives

The American Field Service and Youth for Understanding Programs sponsored the exchange of several students to our country. They lived in American homes and assumed the typical teenage American way of life. Centralites made lasting friendships with these students.

The AFS Club's main activities includes a caroling party at Christmas and the AFS weekend. Included in the weekend were a coke party after school on Friday, then on Saturday, two parties and ice skating. The theme of the weekend was "Walk together, talk together."

Qué sera, sera express touring N.C. travelers

Several North Central students traveled throughout Europe with abroad programs. They were offered a chance to study as well as travel in foreign countries.

Twenty-six students touring with the World Academy Program enjoyed a brief visit to Rome. Their 39 day trip was cut short to ten days by the bankruptcy of World Academy. They were to visit fifteen cities in seven countries. However, four students on a separate World Academy tour were not affected.

A group of students toured Europe with the People to People Program. Mr. Schaaf sponsored the group for the second year.

Skill, hard work demanded of staffs

"Rewrite this copy and this time do it right," frequently rang out through room 541 during each yearbook deadline. The 1970-71 academic year brought excitement and desperation to the 1971 Northerner staff. The staff members worked diligently to meet deadlines and avoided mass confusion.

News Bureau under the direction of Kris SerVaas, included the reviewing of activities, explaining achievements and developing community interests for the Teen Star, Teen Scene and the suburban newspapers.

The North Central photo journalism laboratory, more commonly referred to as the "darkroom" creates all art photography used by the Annual, Newspaper and News Bureau. The eight photographers print over 3,000 photographs for all the publications.

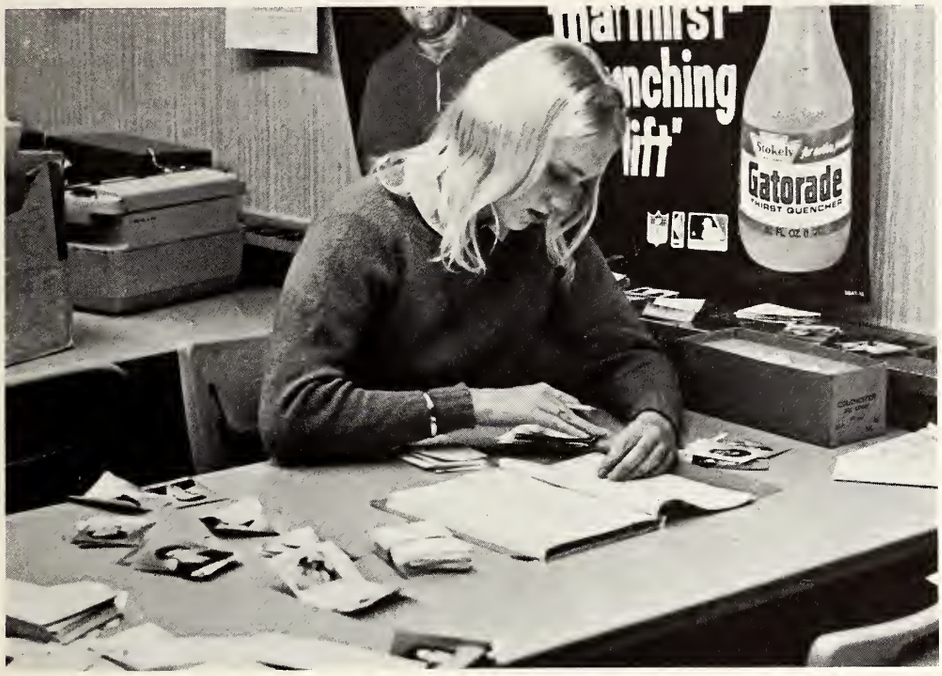
Staffs meet N.C. publication deadlines



Editors, staff members, and assistants spent many hours working on the publications. Meeting deadlines proved to be a difficult task and many students stayed after school to finish assignments.

In the spring of 1970, outstanding members were admitted to the Quill & Scroll, a journalistic honor society. In order to belong, a student must have worked on a publications staff for one year, obtained the recommendation of his advisor and rank in the upper third of his class.

A special insert on drugs and poverty in Washington Township was planned by the Northern Lights staff for the second semester editions of the paper. In the near future, the staff plans to publish a weekly paper. Because of more interesting stories and editorials, the student took a greater interest in the paper.

Key Club, Lockets join together in serving N.C.

Once again this year, community service and North Central affairs became meaningful to those members of Key Club and Lockets. This year, Key Club's projects varied from can drives to sponsoring mixers. Lockets began the year by washing windshields and cars in the parking lot. Other projects were singing in an old folk's home and helping at Back to School Night.

"Etchings in Thought" produced another fine anthology of creative works. In the booklet, which is published annually, are poems, prose, and short stories. All work was done entirely by the students themselves.

This year's Exercise In Knowledge Team competed in several high school bowl games. All members of the team spent much time and energy researching for competition. Mrs. Jean Merritt sponsored the team.

Students gain knowledge in language clubs.

Students learn about speaking foreign languages in the classroom. They gain a deeper understanding of foreign countries and their exotic customs in the foreign language clubs. These clubs are open to students who are enrolled in a language class. Meetings are held several times a month where they view films, have guest speakers and plan special events. The French club sponsors a Mardi Gras where they taste French cuisine and choose a king and queen. At Christmas time the Spanish club has a party complete with a candy-filled piñata. Highlighting the Latin year is the annual chariot race. The German and Russian clubs devote their time to gaining a broader understanding of speaking the language.

Drama groups successful in productions

North Central's drama department provided opportunities for students to participate in many theatrical fields.

The Costume-Make up Club successfully impersonated a large variety of characters throughout the year.

Stage Crew members were responsible for all scenery in each dramatical production and also assisted with other performances held at North Central.

The International Thespians sponsored three plays during the school year. The fall and winter plays were "Blithe Spirit" and "Dear Wormwood" respectively. Participation in school productions is a method of earning Thespian points.

WORKING IN THE Scene Shop, Stage Crew members Joe Eastman and Kurt Ogden prepare a stage set. Over 100 NC students have worked on Stage Crew this year.

Folk Music Club performs before students

The ever popular Folk Music Club continued to bring country style to North Central. President Charlene Schwartz leads the 170 members with assistance from Vice President Jay Bursky, Secretary Margie Koerton, and Sponsors Mr. Guffin and Mrs. Steinmetz. Meetings are held on Tuesday afternoons when members rehearse for future programs. Interested students may perform for the members in hopes of joining the club. Every spring the Folk Music Club presents one of North Central's most popular assemblies. During this year's traditional show, a wide range of talent was displayed.

Baton corps, rallies boost panther spirit

Due to the hard work and fine performances given by the Baton Corps, Panther spirit went soaring. They performed at many half times.

Pep rallies, too, helped to raise Panther spirit. The cheerleaders led the students in wishing the teams good luck.

At the last home basketball game, the senior team members and cheerleaders were honored with their parents.

ENJOYING THEMSELVES as well as having a little basketball practice are two performers in one of the Panther's pep sessions. Students write their own skits, try out, and then present them at a rally. Often times, organizations or clubs will write and perform skits.

Many help in various departments

Many Central students gave up their study halls to help teachers this year. These students benefited from the experience they received as well as giving faculty invaluable help.

Physical education helpers were chosen for their ability, leadership qualities and interest. They proved themselves skilled in areas as leading exercises, taking attendance, and demonstrating stunts and games.

Audio-visual helpers are a frequent sight in Central classrooms but few realize just how skilled these boys are. Their job includes delivering, adjusting and operating audio-visual equipment.

All bookstore assistants proved to be valuable assets to the school while taking charge of business details and operating materials.

Assistants aid administrators, gain experience

Many North Central students volunteered their time and effort helping various departments. The Science Department has assistants who help maintain the lab areas and organize experiments. The guidance assistants take passes and aid students needing to see their counselors. In the attendance office girls help with the absence list and distribute passes.

The general office assistants learn what it takes to run a school, and they assist the secretaries in whatever way possible. Library assistants rebind old books, shelve, and card books.

With the aid of these students administrators and faculty are freed from many menial tasks which gives them more time for other responsibilities. Students also gain worthwhile experience in the workings of our school system.

Cadet Corps helps students gain discipline

Major Wilhelm, assisted by First Sgt. Heusley, led the North Central ROTC Battalion in a variety of activities this year.

The Rifle Team was City-County Champs; and Brad Baumeister was the 1970 Prone State Champion. Various meets were participated in by the Drill Team, who brought home several awards. Throughout the year the colors were carried at home games by the Color Guard.

The annual military Ball and Federal Inspection were both successful events, due in part to the able assistance of the female sponsors.

A two-week Summer Camp will be held over vacation, and the entire unit is looking forward to moving into their new quarters next year.

"B" Company, shown here in military formation, also completed a successful year of intraschool NDCC competition. Both companies strived to prepare themselves for their future service in military and civilian life by exercising their mental and physical capacities.

Activities bring challenge, rewards to students

Students who participated in the many and varied activities offered at North Central found them very worthwhile.

Girls participated in the G.A.A. program and took part in many sports.

For the first time, a Speleology club was organized. Members enjoyed exploring Indiana caves.

The Ham Radio club was formed for those interested in amateur radio communications. They sent and received messages from many different places.

Student assistants in the AV and Health Center areas devoted their time and energy to help others.

1-9-7-1 We're the best second to none

"Smile on your brother, everybody get together, try to love one another right now." Besides enjoying the usual prestige connected with being a senior, the class of '71 became more involved with helping others than ever before. A senior sponsored tutoring program in the inner-city and later at the blind school involved hundreds of seniors in "getting together." Class spirit soared as seniors had an overwhelming victory in the can drive and a book drive for needy children was added to the list of senior projects.

Seniors find time to get together after school or in senior section at games.

Class of 1972 presents Junior Spec

The question of flirting breaks up a teenage couple in "Love Teenage Style", by Anne Cofield and Lee Ann White. This fight resulted in a major war of the sexes.

"The Ratings Game" was created by Millie Calhoun, Judy Monroe, and Brian Belles, took us behind the scenes of a major television network. The president realized he was losing the ratings race and schedules a super special designed to win the contest.

In "Turning Back the Hands of Time", we discovered the cavemen period was the beginning of the Women's Lib movement. Sally Siggins, Don Higgs, and Kathy Kelso wrote of how the over confident cavegirls infuriated their stubborn cave men.

"The Twenty First Year of Stanley Percevel Kramer, or How I Inherited Thirty Million as Told by Stanley Percevel Kramer", by Kathy Haverty and Nancy Katz told of a plot to get rich fast. If proven responsible, twenty-one year old Stanley would inherit his Aunt Glorietta's fortune. However the relatives next in line schemed to get him in trouble.

TOP: ONCE AGAIN CAUGHT IN THE MIDDLE, producer Scott Hickle tries to reason with arguing gossip columnist, Marienne Iauco, and the has-been star, Dianne Iauco. BOTTOM: LAWYER C. E. BLACKSTONE III, played by Todd Bethel, accuses judge Dale Hamilton, of unethical conduct.

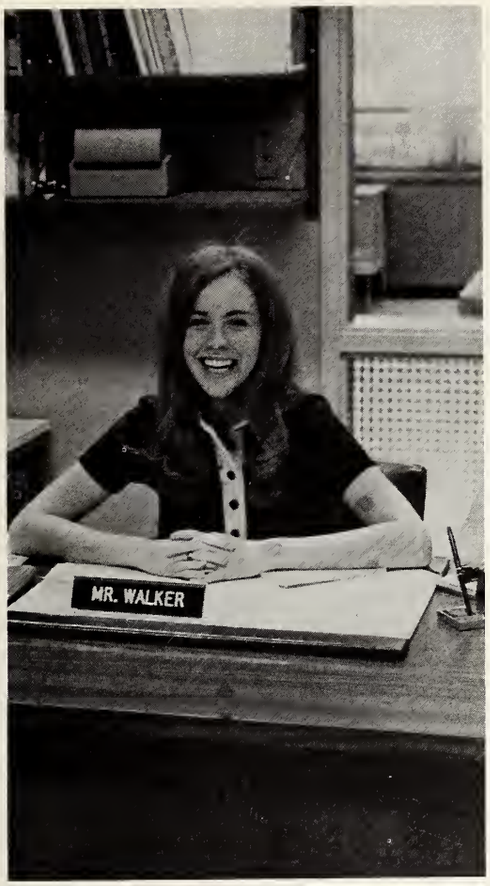
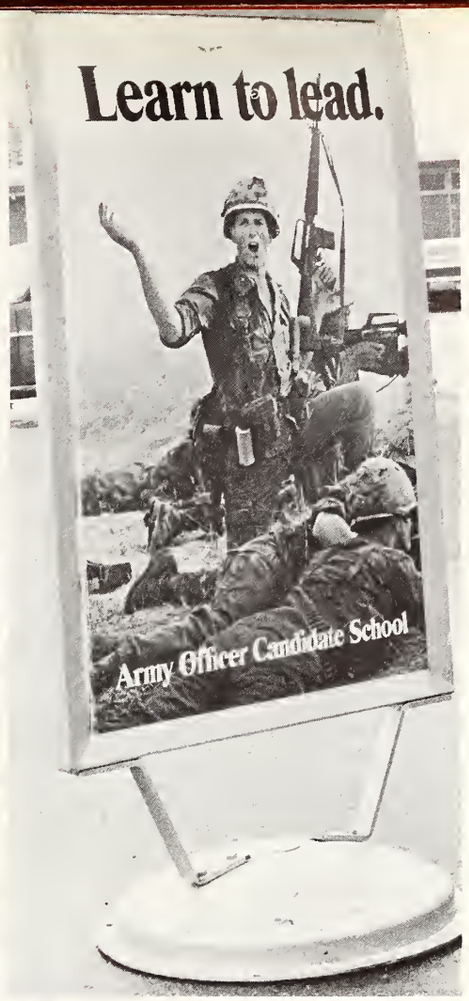
Days hurry by with a
frenzy of activity
Requirements to fulfill,
Deadlines to meet;
Pausing for a moment
we reflect on life.

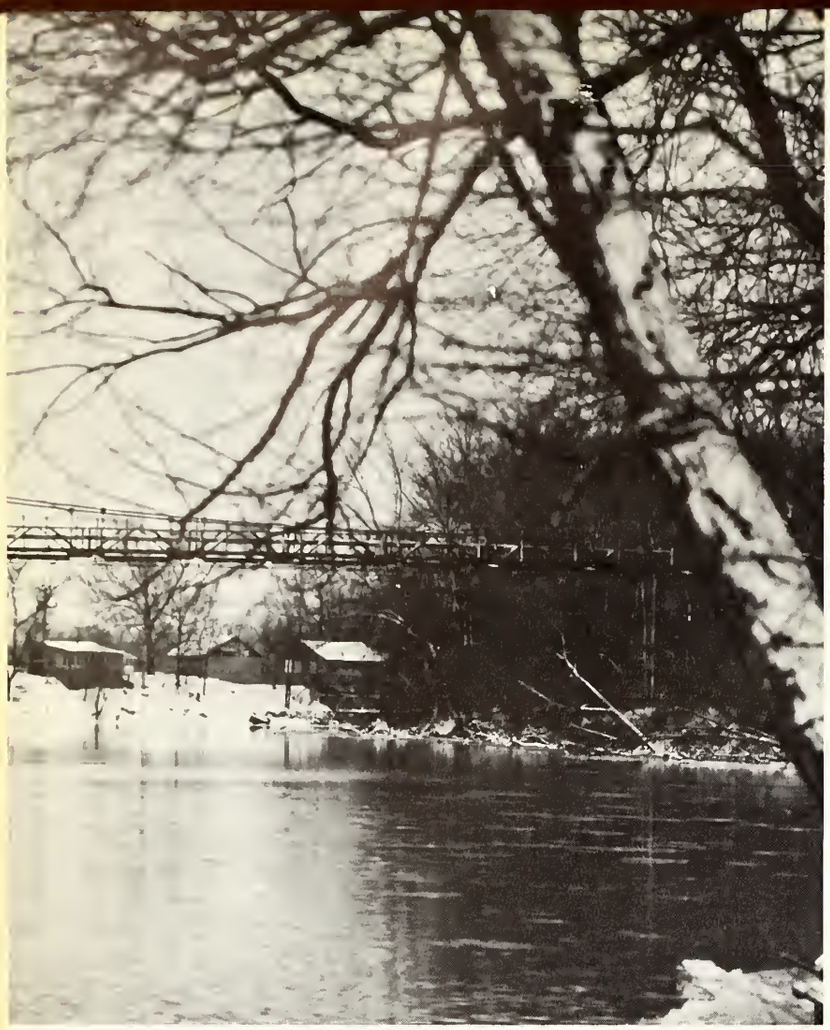


Filled with the joy of
being an Individual
We smile on Life;
Learning to accept
the bad times,
And making the most
of the good times;
We learn to live.

ONE
WAY



North Central is a small part of our lives.
Just as the winter snow is inevitable after the Autumn sun,
So is the change of youth to adulthood.
We face the inevitable as Individuals.



Yet while we are here, even if only for a short time,
we share a common bond,
leaving an imprint of our personality . . .

Each in his own way,
a unique individual
at North Central
in '71.

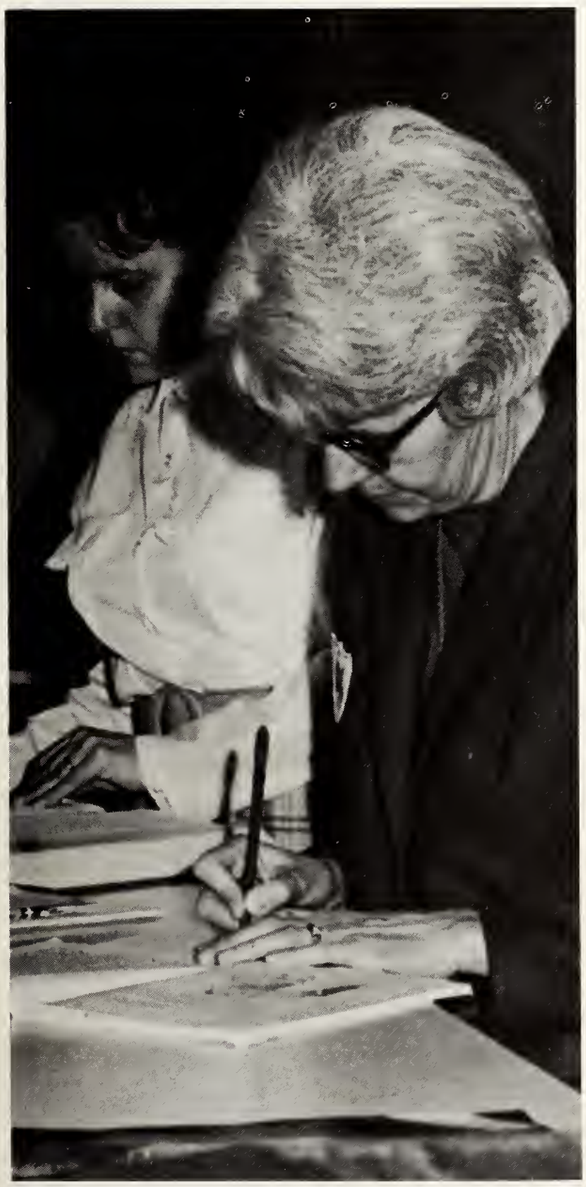
Below Left: Sophie Smith, manager Bertha Boffo, and Kathryn Sickbert plan meals and supervise kitchen work. Above Right: Officers Swegman and Froelich discuss the problems of traffic control. Middle Right: School nurse Mrs. Mary Martin administers medication to an ill Centralite. Below Right: Matron Alice Shields assists the custodians by cleaning restrooms.

Staff necessary part of N.C.

Students seldom realize the amount of work that goes on "behind the scenes" at N.C. The custodial staff, under the direction of Jim Kendall, kept the school in workable condition.

Satisfying the appetites of 3,700 Centralites, as well as preparing food for banquets, was the job of the cafeteria, managed by Mrs. Boffo.

The library started the year with the addition of 3,300 new books. It was a haven for those needing a quiet place to work, and for those looking for a good book during their study hall.



TOP LEFT: Mrs. Anita Thompson and Mrs. Pam Gilbert, library secretaries, perform many duties to keep the library running smoothly. Left: Mrs. Helen Hunter and Mrs. Annabel Rusch, para-professionals, handle library paperwork. Above: Mrs. Marguerite Farkas, bookstore manager, and treasurer Mrs. Geneva Kennedy solve the many problems they encounter in their jobs.

WE'VE COME A LONG WAY FROM THE LITTLE DOG AND HIS HORN.

A long way since 1906 when the Victrola® phonograph was introduced. And Nipper heard His Master's Voice.

Now it's the 70's and we haven't even stopped for breath. Our latest milestone is Dimensia III stereo. A complete audio center for the home. Stereo phonograph, AM/FM Stereo radio, and tape cassette recorder. All in one.

Sealed Cushionaire speakers give such power and depth to the bass, they can actually blow out a match.

The Computer Crafted radio tuner is designed to pull in hard-to-get signals and separate crammed-together stations.

We back all this up with an amplifier of 200 watts peak power.

Dimensia III. You've never seen anything like it before. As for Nipper, he'd never have thought of it in his wildest dreams.

But Dimensia III stereo isn't all we have in sound. You'll find many other phonographs, tape instruments and radios in the RCA line. In all sizes and shapes. And all in the RCA tradition of quality that stretches back 64 years.

We got our start in sound. And we haven't lost our voice. Not by a long shot.

New vibrations from an old master.

With the addition of eight pages, the 1970-71 Northerner staff experienced more headaches, bigger deadlines to meet, more pages to check and in general more chaos! Without the help of Dick Kennard, Newsfoto Yearbooks representative, many questions and problems would have gone unanswered. We would also like to thank Mrs. Marti Ripberger and Photo Reflex Studios for their help with senior pictures. Our appreciation for the underclassmen pictures goes to Chase Studio.

In spite of all the seemingly monumental and impossible problems that came up this year, we made it. A special thanks to all of my hard working staff, without whom this year would not have been quite as memorable. And last but by no means least, we owe all our thanks to our fearless leader, Mr. John R. Cord, better known to his staff as Dor Droc, for standing by us in all our trials and tribulations.

1971 Northerner

Diana -
I knew you were saving this page just so some dummy could come along and scribble on it Right?
So do you remember those days -
The first football game and how we always walked over to your house afterwards singing? I bet some people thought we had a "well bit too much to drink"
Do you remember how we met - What simple times -
Then all thee funny laughs - New Years Eve remember?
Then you listening to me pour out everything?
About Rich about Parents - then us losing our tempers with each other & acting like nuts -
Huh, Do You REMEMBER -
I know R. changed me somewhat so, I'll change back to my "Old self now." Its been so much fun worrying about whether we are going to get killed (in trouble) or not. All the nutty stuff we did.
So what if you gonna be a big 16 yr. old - I'll be one too someday.
Have good time in Conn (snicker, snikker) From all the stories its sounds like you Relatives really like you. LUCKY! you have it made!
I know ill see you alot this summer
you'll have to come over to my house alot too ya know
Thanks for everything
(you know what i mean: feel!)
God Bless you: guide you
